 3. Quotations will be marked with their receipt time. Only complete Quotations received and marked before closing time will be considered to have been received on time. Late Quotations will not be considered or evaluated. In the event of a dispute, the Quotation receipt time as recorded by the Commission will prevail whether accurate or not.

 6. Bidders must comply with all applicable laws.
 7. Bidders are solely responsible for their own expenses, if any, in preparing and submitting a Quotation and, if successful, in finalizing a contract.
 8. Quotations must be submitted in English.
 9. Once an award is made, the successful bidder will be held to its Quotation as of the closing date of the ITQ even if the bidder later alleges a mistake was made in the Quotation.

If the bidder is permitted to withdraw its Quotation, the Quotation will not be considered further.
 12. The Commission reserves the right to award this order in part or in full, on the basis of Quotations received unless the bidder specifies that its Quotation is valid only for the complete order.
 13. The Commission may consider and evaluate any Quotation from another jurisdiction on the same basis that the government purchasing authorities in those jurisdictions would treat a similar Quotation from a British Columbia supplier.
